

End of Sale Announcement for HP ProCurve Switch 2800 Series Announcement Date: August 1, 2009

End of Sale Date: December 1, 2009 or While Supplies Last

HP ProCurve Switch 2800 Series End of Sale

The ProCurve Switch 2800 Series products have provided customers with affordable, fixed-port, multi-layer, managed switches with 24 and 48 auto-sensing 10/100/1000 (mini-GBIC) ports and 4 dual personality ports for fiber connectivity since 2006. With the availability of enhanced features in our next generation HP ProCurve 2910al Switch Series, HP ProCurve Networking is announcing the End of Sale of the HP ProCurve Switch 2800 Series products listed below:

Product Number	Product Description
HP ProCurve Switch 2800 Series	
J4903A	HP ProCurve Switch 2824* ¹
J4904A	HP ProCurve Switch 2848* ²

*¹The End of Sale of the HP ProCurve Switch 2824 applies to all versions (J4903A, J4903AZ, and J4903A-#0D1).

*²The End of Sale of the HP ProCurve Switch 2848 applies to all versions (J4904A, J4904AZ, and J4904A-#0D1).

Replacement Products

The recommended replacement products are the HP ProCurve 2910al Switches. These managed edge switches are the next generation of the soon to be End of Sale HP ProCurve Switch 2800 Series products. Alternatively, customers may also purchase the HP ProCurve Switch 2810 Series products which offer a similar set of features and functionality as the 2800 Series (See table below for further details).

Planned End of Sale (ES) Product		Recommended Replacement Product(s)		Alternative Replacement Product(s)	
Switch 2800 Series		2910al Switch Series		Switch 2810 Series	
J4903A	HP ProCurve Switch 2824	J9145A	HP ProCurve 2910al-24G Switch	J9021A	HP ProCurve Switch 2810-24G
J4904A	HP ProCurve Switch 2848	J9147A	HP ProCurve 2910al-48G Switch	J9022A	HP ProCurve Switch 2810-48G

For more details on these and other HP ProCurve products, please go to <http://www.procurve.com> or contact your local sales representative.

End of Sale Announcement for HP ProCurve Switch 2800 Series

The HP ProCurve 2910al Switch Series also offers PoE/ PoE+ versions-

- HP ProCurve 2910al-24G-PoE+ Switch (J9146A)
- HP ProCurve 2910al-48G-PoE+ Switch (J9148A)

HP ProCurve 2910al Switch Series Benefits over HP ProCurve Switch 2800 Series

The HP ProCurve 2910al Switch Series is the next generation of the ProCurve Switch 2800 Series providing enhanced network connectivity and convergence features as well as:

- Enhanced client-server bursty traffic performance enabled by shared dynamic buffering in ProCurve Custom Designed ASIC
- Better switching performance provided by higher speed backplane
- Flexible 10G uplinks* due to 4 optional CX4 and SFP+ 10G ports
- Convergence Applications can be deployed using PoE/PoE+ product versions
- Ease of Deployment due to shallower depth
- Improved Access Security based on Port based and IDM ACLs
- Better Traffic Control using Ingress rate limiting

* HP ProCurve 2910al Switch Series 10 GbE SFP+ technology may interoperate with another switch that has either 10 GbE X2 or XFP technology if appropriate 10 GbE transceivers are used at both ends.

Warranty and Service Life

The HP ProCurve Switch 2800 Series is covered by the ProCurve Lifetime Warranty♦

The End-of-Service-Life (“EOSL”) date for the HP ProCurve Switch 2800 Series will be 5 years after the End of Sale Date. During the period between the End of Sale Date and the EOSL Date, HP plans to continue to provide hardware maintenance services and software technical support services for these products, subject to the commercial availability of parts and other support material. HP reserves the right to make changes to these services as business demands change or as required by local law.

End of Sale Announcement for HP ProCurve Switch 2800 Series

HP ProCurve will continue to offer software updates, telephone and email support for as long as you own these products. However, this is not a guarantee of ongoing software/feature maintenance or development by HP ProCurve Networking. Note that enhancement requests will not be accepted or fulfilled for the HP ProCurve Switch 2800 Series following the end of sale.

◆For as long as you own the product, with next-business-day advance replacement (available in most countries). The following hardware products and their related series modules have a one-year hardware warranty with extensions available: HP ProCurve Routing Switch 9300m series, HP ProCurve Switch 8100fl series, HP ProCurve Network Access Controller 800, and HP ProCurve DCM Controller. The following hardware mobility products have a one-year hardware warranty with extensions available: HP ProCurve M111 Client Bridge, HP ProCurve MSM3xx-R Access Points, HP ProCurve MSM7xx Mobility and Access Controllers, HP ProCurve RF Manager IDS/IPS Systems, HP ProCurve MSM Power Supplies, HP ProCurve 1 Port Power Injector, HP ProCurve CNMS Appliances, and HP ProCurve MSM317 Access Device. Disk drives in the HP ProCurve ONE Services zl modules, HP ProCurve Threat Mgmt Services zl module, and HP ProCurve MSM765zl Mobility Controller have a five year hardware warranty. Standalone software, upgrades, or licenses may have a different warranty duration. For details, refer to the ProCurve Software License, Warranty, and Support booklet at www.procurve.com/warranty.
